

Timer (Piccola Pump)

Part No: 1524492

FEATURES

- CE Tested
- Simple to install
- 100% reliable
- Manual test switch
- Adjustable interval and discharge time
- Led indicators show operational status
- Small compact design
- Fully automatic-no maintenance
- S.M.T. technologie

Technical Specification

OFF time	0.5 - 45 minutes
ON time	0.5 - 10 seconds
Max switch capacity	1A
Design standard	VDE 0110 - 1/89
Scale accuracy	+/- 10%
Current consumption	4mA MAXIMUM
Operating temperature	-40°C to +60°C
Environmental protection	IP 65 assembled
Housing material	ABS Plastic FR grade
Connection	DIN 43650 A/ISO 4400
Supply voltage	110/230V +/- 10% 50/60HZ
Indicators	1 LED (yellow) to indicate On Phase 1 LED (yellow) to indicate Off Phase
